Dear

Your child _____ would like to invite you to a special event.

This year Thomas Reddall High School have introduced an exciting new program into our curriculum called Project Based Learning (PBL). PBL is a student centred approach to learning that requires students to consider the world around them and devise a service, project or campaign that they can create to contribute to the issue or subject they have focused on.

Year 7 have been completing our first project for the first two terms of this year. They have investigated the idea of success and created inspirational posters to present to our year 12 students.

We are excited to invite you to join us for afternoon tea as the students present their posters. We will be meeting at the Thomas Reddall High School library on June 29th at 12.30pm.

If you are able to join us please complete the tear-off sheet below and return it to the school by Wednesday 21st June 2017. We hope to see you there.
